Notice regarding extension of period for repurchase and determination of cancellation of own investment units

(Repurchase of own investment units based on the provisions of Article 80-5 of the Act on Investment Trusts and Investment Corporations, and cancellation of own investment units based on the provisions of Article 80, paragraph 2 and paragraph 4 of the Act on Investment Trusts and Investment Corporations)

LaSalle LOGIPORT REIT (“LLR”) has decided at the board of directors meeting held on April 15, 2024 to repurchase own investment units (the “**Repurchase own investment units**”) based on the provisions of Article 80-2 of the Act on Investment Trusts and Investment Corporations (the “**Investment Trust Act**”), which is applied by replacing the terms and phrases pursuant to the provisions of Article 80-5, Paragraph 2 of the Investment Trust Act. And LLR announces that it has decided at the board of directors meeting held today to extend the period for the repurchase of own investment units, and its board has also decided cancellation of the repurchased investment units based on the provisions of Article 80, Paragraph 2 and Paragraph 4 of the Investment Trust Act, as outlined below.

1. Reason for extension of repurchase period

Based on the fact that the price of LLR has remained near or greater than the NAV per unit level, considering that the total number of investment units repurchased based on the Repurchase own investment units has progressed by 0 units as of today, and current market trend, etc., LLR has decided to extend the repurchase period because it believes it is important to continue to repurchase own investment units as part of our unitholder return and flexible capital policy.

2. Repurchase period

(Changes are indicated by underline.)

Before Change	After Change
From April 16, 2024 (Tue) to <u>July 31, 2024 (Wed)</u>	From April 16, 2024 (Tue) to <u>October 15, 2024 (Tue)</u>

If either the above maximum total number of investment units that can be repurchased (43,000 units) or the above maximum total amount of investment units (6,000 million yen) is reached by the day before the end of the above repurchase period, such point in time will be the end of the repurchase period.

In addition, if the securities company that has been given discretionary trading authority regarding the repurchase of own investment units (the “Discretionary trading securities company”) determines that there is a risk of exceeding the upper limit of either the total amount or the total number of investment units that can be repurchased due to additional purchases from the next day onward during the period from the beginning of the repurchase period to the day before the end of the repurchase period, the Discretionary trading securities company may terminate the execution based on the judgment, and the execution end date will be the end of the repurchase period.

Note:

The repurchase period excludes five business days prior to August 31, 2024, the last day of the fiscal period.

3. Cancellation of own investment units

All of the own investment units repurchased based on the Repurchase own investment and held by LLR as of August 30, 2024, will be cancelled on August 30, 2024. The specific number of own investment units to be cancelled will be announced once again.
