**Notice regarding status of repurchase of own investment units
 (Repurchase of own investment units based on Article 80-5 of the Act on
 Investment Trusts and Investment Corporations)**

LaSalle LOGIPORT REIT (“LLR”) announces the status of the repurchase of own investment units based on the provisions of Article 80-2 of the Act on Investment Trusts and Investment Corporations, which is applied by replacing the terms and phrases pursuant to the provisions of Paragraph 2, Article 80-5 of the said Act, as outlined below.

Status of the repurchase of own investment units in October 2024

	Shareholder Return Price Band (Note 1)	Investment Price Band (Note 1)	Total
(1) Total number of investment units repurchased	750 unit	4,182 unit	4,932 unit
(2) Total amount of investment units repurchased	109,347,800 yen	603,355,500 yen	712,703,300 yen
(3) Repurchase method	Open market repurchase on the Tokyo Stock Exchange based on a discretionary transaction agreement with a securities company for the repurchase of own investment units		
(4) Repurchase period	From October 16, 2024 to October 31, 2024 (Note 3)		

Notes:

1. Of the investment units repurchased, LLR classifies the price range aimed at returning profits to unitholders based on the multiple of the reference NAV (Net Asset Value) (Note 2) per unit as the “Shareholder Return Price Band”, and the price range aimed at making attractive investments as the “Investment Price Band”. The above table shows the breakdown of the investment units repurchased during the above acquisition period into which price range they belong. The same applies below.
2. “Reference NAV (Net Asset Value) per unit” is the amount obtained by subtracting the total amount of distributions from the total net asset value as of the end of August 2024, and then dividing the amount by the total number of investment units issued and outstanding, based on the net asset value per unit, which reflects the unrealized gains or losses, which is the difference between the book value and the appraisal value of the assets held. It is a figure that has been adjusted for own investment units held as of the end of September 2024 and for the disposition of properties that has been announced as of October 15, 2024.
3. Please refer to the “Notice regarding status and completion of repurchase of own investment units (Repurchase of own investment units based on the provisions of Article 80-5 of the Act on Investment Trusts and Investment

Corporations)” dated October 15, 2024 for details of the status of own investment units repurchased between October 1 and 15, 2024.
