LaSalle LOGIPORT REIT (“LLR”) announced today that one of its properties, LOGIPORT Kitakashiwa has received a CASBEE Real Estate Certification (Rank S), as outlined below.

CASBEE was developed with the aim of making use of the results of the environmental performance of buildings based on the evaluation items in the following categories: energy / green-house gases (“GHG”), water, materials, biodiversity/sustainable site, and indoor environment. Buildings that have undergone assessment are rated on a four-level rating system consisting of rank S, rank A, rank B+ and rank B.
